Customize Web-Portal with your branding

Web-Portal customization options and guidelines

The screenshot shows the Sparados web portal interface with several customization options highlighted by blue arrows:

- Your logo:** Points to the Sparados logo in the top left corner.
- Favicon:** Points to the favicon in the browser tab.
- Client URL:** Points to the URL bar showing "customer.sparados.com".
- Main color:** Points to the "Valid to" field in the "Your limits" section.
- Font color:** Points to the "Transaction history" section.
- Background color and graphic:** Points to the background of the "Transaction history" table.

The interface includes a "Business card" section with a "New York Trip" card showing a budget of PLN 187.83 and a Mastercard logo. The "Your limits" section shows a cumulative limit of PLN 500.00 and a personal limit of None. The "Transaction history" table lists four transactions, all marked as "Cleared".

Transaction	Status	Date	Amount
SYNTHESIA LIMITED +447951453045	Cleared	29.09.2023 09:07	PLN 136.67
Trattoria Murano Warszawa	Cleared	15.09.2023 02:13	PLN 48.00
SPP WARSZAWA 2 WARSZAWA	Cleared	15.09.2023 01:48	PLN 2.50
SPP WARSZAWA 2 WARSZAWA	Cleared	15.09.2023 12:58	PLN 4.00

Congratulations! A card is now in your Sparados app

From now on you can pay with it online

View your card online

If you wish to use it for contactless payment, add it to Apple/Google Wallet:

1. Open the Sparados app.
2. Discover your card details by clicking on the "eye" icon.
3. Open the Wallet app on your phone.
4. Click the "+" button, then select "Debit or Credit Card."
5. From the list of banks, select "Other" (last option).
6. Scan the card details from the screen and follow the instructions.
7. Done! You can now make contactless payments with your Sparados card.

If you want to cash out from an ATM, set the PIN for the card

Guide - Set a pin to your card
